If these items are mixed in with the leaves, neither them nor the leaves will be picked up until the resident removes the undesirable materials. These materials will damage the vacuums. Should the resident not remove the undesirable material, the resident may have to be issued a violation of City ordinance and possibly incur a fine.

Every effort will be made to adhere to the above schedule, however, weather conditions, holidays and equipment breakdowns may cause schedule delays.

- SUGGESTIONS:**
1. Rake all leaves into the street at the curb.
 2. Do not park on or near leaf piles due to the potential fire hazard.
 3. Wetting the leaf piles with a garden hose will prevent blowing and also reduce the risk of fires.
