COMMUNICATIONS MISCELLANEOUS-

August 7, 2008

Wyandotte Mayor and City Council c, 3131 Biddle Avenue  
Wyandotte, MI 48192

Dear Honorable Mayor and City Council,

Please repeal the Massage Ordinance that went into effect May 2008. The ordinance does not fit the needs of the City of Wyandotte, Michigan. The previous massage ordinance better supports the economical and health needs of our city.

1. I disagree with the statement "massage is more pervasively associated with illegal activity in Michigan than elsewhere in our nation". Therefore, I ask REPEAL THE RECENT MESSAGE ORDINANCE IMPLEMENTED ASAP! Five months of bills remain prior to potential passage of a State License regulation.
2. Since the ordinance was passed, I have DECLINED MESSAGE BUSINESS OPPORTUNITIES in the City of Wyandotte IN ORDER TO ADHERE TO THAT REGULATION. Shamefully, I have declined to raise money for the Detroit homeless to be in adherence to that ridiculous ordinance!
3. I want to publicly thank the surrounding suburbs for providing revenue toward my basic needs. Thank you Trenton! Thank you Riverview! Thank you Taylor! Thank you Grosse Ile! Thank you Brownstown! Thank you thrift stores in Southgate and Lincoln Park. Thank you Ecorse for the hope you are providing and have provided. LEADERS of WYANDOTTE: "As a resident of this city and a business owner, how can I buy "local" when you restrict my earning opportunity and what benefits are provided to those whom are forced out of this city due to lack of opportunity within city limits?"
4. No BAD LAW has to be followed.

In summary, I ask the Wyandotte Mayor and City Council: Please do not place our community in the awkward position of working around ordinances that do not suit the needs of our community, REPEAL THE EXISTING MESSAGE ORDINANCE NOW!

Sincerely,

Mary Lenerville-Harris, LMT, Owner, Body Relief 4U  
P.O. Box 255  
Wyandotte, MI 48192

August 3rd 2008

To Mayor DeSana and city council representatives,

This is a formal request for permission to permanently bolt two decorative shrub urns in front of the door of my residence at 3017 Biddle Avenue. I believe these urns will enhance curbside appeal to the downtown business district.

I have also consulted with Maria Dominguez, owner of Traffic Jam Boutique, who shares the lower level of the building at 3019 Biddle Avenue. She happily agrees.

Please consider honoring this request as I am eager to begin the decorating process. I'm a Wyandotte resident who takes pride in his home as well as the well being of our beautiful town.

Sincerely yours,

Phillip W. Hubbard, 3017 Biddle Ave., Wyandotte, MI 48192

COMMUNICATIONS FROM CITY AND OTHER OFFICIALS

August 5, 2008

The Honorable City Council City of Wyandotte  
Gentlemen and Madam:

I had the opportunity to attend a meeting recently convened by Mayor Kim Priebe, City of Taylor, with regard to an effort currently underway to make significant and important changes to Public Act 312 of 1969.

Enclosed is a copy of a letter I received from Mayor Priebe which includes a summary of the issues they are attempting to address with regard to Public Act 312, as well as a request for contributions from concerned public officials and the municipalities they represent to help fund the cost of hiring an agency to provide consulting and other services. Also enclosed is a sample resolution that supports this grass roots effort to modify Public Act 312 and also approves funding for this campaign.

It is important to understand that adopting this resolution and approving the funding to ensure our participation in these discussions is only the first step in the process. I am very familiar with the process in Lansing, and know well that the unions impacted by Public Act 312 will be very well represented at the discussions.

Thanking you in advance for your consideration of this request, I remain

Sincerely,

James R. DeSana, Mayor

Gentlemen and Madam:

Downriver Community Conference is applying for two different grants through the State of Michigan's Centers for Regional Excellence program. The grants are for \$25,000 each over a two-year periods. You may recall that DCC applied for and was awarded one of these grants a couple of years ago and the funds were used to facilitate the Downriver Fire Authority.

The first grant is for the Municipal Benefits Cooperative which is the initiative through which the communities of DCC and Conference of Western Wayne, and the Wayne County Airport Authority are pursuing cooperative purchasing of life and accidental death, long and short-term disability and dental and vision insurance. The second grant is for DCC member communities and is with regard to the DPS Collaborative Purchasing Program.

A formal resolution from each community is required as part of the application package. Draft resolutions are attached for your information. Adopted resolutions must be returned to DCC no later than August 20, 2008 so the proposals can be finalized and submitted in a timely fashion.

Sincerely,

James R. DeSana, Mayor

RE: Amendment No. 1 to Brownfield Redevelopment Plan No. 9 – BASF Property at 1609 Biddle Avenue and Substation Property for Wyandotte Municipal Services

Dear Mayor and Council,

The enclosed resolution sets Monday, September 8, 2008, as the public hearing date to consider approval of the enclosed amended Brownfield Plan.

To summarize, the Plan proposes to capture tax increment from two non-school millages totaling 3.4643 mills on the new BASF Joncryl Polymers Plant ("JPP") Project at 1609 Biddle. The tax increment will be used to assist Wyandotte Municipal Services (WMS) with expenses associated with constructing a new electrical substation in the area generally bounded by Alkali, Clark, McKinley and the railroad tracks. The substation will address the increasing need for electrical power from the JPP Project, as well as residential, commercial and industrial customers in the north end of Wyandotte. The brownfield tax increment captured by the Plan will be approximately \$2.2 million over 30 years, with approximately \$2.1 million allocated to WMS and \$83,000 to the Wyandotte Brownfield Redevelopment Authority's (WBRA) Administrative Operating Fund. The BASF Corporation will contribute \$1 million towards construction of the substation.

It should be noted that no school millages are proposed for capture under the Plan, and further, that no other local millages are proposed for capture because the Consolidated Tax Increment Finance Authority (TIFA) already captures all other available increment on property within the area. A Reimbursement Agreement between the WBRA and WMS will be prepared and presented to the Authority after approval of the Plan by the City Council.

The undersigned recommends that the Mayor and Council adopt the following resolution authorizing the undersigned and the City Clerk to complete the procedural items necessary to consider adopting said Plan.

Very truly yours,

Todd A. Drysdale  
Director of Financial and Administrative Services

Each of the 34 local units of government must approve the AIP under the requirements of the Office of Services to the Aging.

Dear Mayor DeSana and City Council Members,

Attached you will find a proposed returned check policy. The policy is for payments made to the city that are not honored by the city's bank. The \$20.00 fee is consistent with the amount that the Department of Municipal Service currently charges for returned checks. In addition, the fee will also assist in offsetting bank charges as well as any additional collection costs.

The undersigned recommends concurrence with the proposed returned check policy. Sincerely,

Robert J. Szczechowski

HEARING RELATIVE TO ESTABLISH  
OBSOLETE PROPERTY REHABILITATION DISTRICT #10  
3033-35 BIDDLE AVENUE

August 5, 2008

The Honorable Mayor James R. DeSana And City Council  
City Hall

Re: Resolution to establish Obsolete Property Rehabilitation District No. 10 – 3033-35 Biddle Ave.

Dear Mayor and Council,

In accordance with a Council resolution adopted on July 21, 2008, and the Obsolete Property Rehabilitation Act, a public hearing has been scheduled on August 11, 2008, to consider establishing an Obsolete Property Rehabilitation District for the property at 3033-35 Biddle Ave. This action was initiated by the request of the property owner. Per the enclosed letter and related material from the City Assessor (see Exhibit No. 1), the property qualifies as an obsolete property.

The Act allows for a reduction in property taxes to encourage rehabilitating obsolete commercial property. Establishing the District is the first step in the process. The next step involves filing an application for an exemption certificate that must be approved by both the Council and the State Tax Commission. The application will include detailed information on the nature and extent of the rehabilitation.

If the District is created and a certificate is eventually approved, a tax known as the Obsolete Properties Tax would be levied upon the building for 1-12 years, with the actual duration to be determined by the Council. The exemption would not apply to the taxable value of the land or any new personal property.

The undersigned recommends that the Council establish an Obsolete Property Rehabilitation District to encourage the redevelopment of the building. If you concur with this recommendation, the appropriate resolution is enclosed (Exhibit No. 2).

Very truly yours,  
Todd A. Drysdale  
Director of Financial and Administrative Services

RE: 3033-35 Biddle Avenue – Functional Obsolescence Determination Dear Mayor and Council:

According to my knowledge of the property at 3033-35 Biddle, the enclosed inspection report of the property prepared by the City of Wyandotte's Department of Engineering and Building (Enclosure 1), and the enclosed letter from John Wilkie of Wilkie & Zanley, Architects (Enclosure 2), the enclosed "Statement of Obsolescence" was prepared (Enclosure 3).

Based upon the enclosed statement, it's my opinion as City Assessor that the property suffers in excess of 50% functional obsolescence. It is further my opinion that due to the functional obsolescence, the property qualifies as a "functionally obsolete property" as defined in the Obsolete Property Rehabilitation Act, Act 146 of 2000, and the Brownfield Redevelopment Financing Act, Act 381 of 1996.

Should you have any additional questions, please feel free to contact the undersigned. Sincere

Colleen A. Keehn, City Assessor

RESOLUTION by Councilperson Sheri Fricke

RESOLVED by the City Council that

WHEREAS, in 1969, Public Act 312 was enacted to provide compulsory arbitration in regard to mandatory subjects of bargaining for local, county and State police officers and firefighters in exchange for an agreement not to strike;

WHEREAS, while the initial intent of Public Act 312 was to provide a fair process for arriving at collective bargaining agreements, while at the same time promoting the safety and well-being of the public through the avoidance of strikes, the Act recently has been used as a tool to substantially drive up the costs associated with employee benefits, thereby reducing funds available for other municipal services;

WHEREAS, a grass roots effort is underway at the local and State level to modify the provisions of Public Act 312 to ensure that it is applied fairly to all parties involved and to ensure that there is accountability and a substantive basis for decisions rendered as part of the Act 312 process;

WHEREAS, as part of this grass roots effort, a variety of issues as set forth in Public Act 312 are being addressed, including concerns over the ability to pay, the requirement that strong consideration be given to internal comparables, as well as placing restrictions on arbitrator-ordered mandates that require a municipality to utilize funds for police and fire benefits as opposed to addressing other needed public services;

WHEREAS, in order to fulfill the goals of this grass roots effort to modify Public Act 312, funding is required to ensure that the general public is made aware of the significant concerns regarding the application of Public Act 312, as well as the appropriate modifications needed to fix this process;

NOW, THEREFORE, IT IS HEREBY RESOLVED, that the City of Wyandotte supports and CONCURS with the above-discussed grass roots efforts to make important modifications to Public Act 312 to ensure appropriate fairness and accountability;

IT IS FURTHER RESOLVED that the City of Wyandotte authorizes payment of \$5,000 to Advance Strategies, who has been retained to assist in ensuring that the general public is made aware of the significant concerns regarding the application of Public Act 312 and why the Act needs to be modified.
