Hon. Mayor and City Council  
City of Wyandotte  
3131 Biddle Avenue  
Wyandotte, MI 48192

Dear Mayor and Council:

I am hereby requesting temporary relief from the constraints of the Sidewalk Café ordinance so that I may be permitted to retain the banner signage that I have installed on my sidewalk café fencing. I made a considerable investment in this professionally executed signage which is in place to advertise my third Friday events (also a very expensive undertaking for me), which, I believe contribute a great deal to the overall success of the City's and the Business Association's third Friday activities.

Perhaps after the current season is over Mayor and Council might consider revisiting the sidewalk café ordinance with the thought of perhaps relaxing or eliminating the restrictions on temporary signage.

Yours very truly,

BELICOSO CAFE

PERSONS IN THE AUDIENCE

Chris Calvin, 466 Sycamore, thanked Mayor & Council for years of employment service provided him. DPS employee provided assistance to owner of Big Boy's last week, this action is not allowed. Needs to be investigated.

Randy Hicks, 488 Riverside Dr., regarding sale of guns and ethic complaint. Read the following letter:

Dear Mayor and City Council,

My name is Randy Hicks, 488 Riverside Drive. I was unable to put this letter in writing by Thursday June 24th, because this letter sent by Mr. Look was not sent until Thursday June 24th, late afternoon.

I would like to say a few words about the recent investigation of the sale of guns, and also the ethic complaint filed by a member of the mayor's campaign staff.

In April, Mike Sexton sent a letter to the Mayor and City Council, questioning whether Mayor Peterson could work for the 27th District Court, while at the same time, having budgetary control over the court.

Immediately, a Search and Destroy mission was commenced by the Mayors Campaign Staff. Speeches were made on Wyandotte Cable, blogs were posted about me, a tv show, using City of Wyandotte resources was broadcast on Wyandotte Cable, and it's apparent that myself and others have been stalked, including my daughter, trying to find anything that could be used to destroy my reputation.

In the past 30 years, I've volunteered for many non-profits whose goal was to make the Downriver area a better place to live, I've consistently attempted to make the City of Wyandotte a place that people want to visit.

In two weeks, a member of the Mayor's campaign staff has destroyed that. Am I angry, absolutely, and each of you should be also. This was an obvious attempt to destroy someone who might disagree with the Mayor. I didn't write the letter, Mr. Sexton did, but apparently I was fair game.

Now the Mayor's Campaign staff will say, this was just about following the City Charter, and City Ordinances. When I spoke to a member of the campaign staff about a week after Mr. Sexton's letter was read, that's what he told me. But that was just an excuse.

The campaign staff said that I was involved with selling and buying guns and also violated the "Open meetings Act". If that is what he really believed, why wasn't the third member of the Police and Fire Commission charged? He also went to the bar with us occasionally. He also was involved with the gun sale. No one, including the City Attorney ever questioned that. Why, because the third member is also on the Mayor's Campaign Staff. I am not inferring that the third member did anything wrong, in fact he didn't and neither did myself or Mike Sexton.

Remember this is all about following State Law, City Charter and Ordinances. This is the campaign staff member who comes up to the podium almost every meeting complaining about someone failing to follow the law.

However, when I received the ethics complaint from the City Attorney, the City Ordinance was not followed. When I pointed this out, he very quickly jumped up and said he forgot. And yes, Mr. Galeski, you are correct, while I was at the podium speaking; he walked into the horse shoe, and gave a signed copy to Mr. Look. Later he wrote on one of his blogs, that he rushed to get it in and forgot to sign it. At a later City Council meeting he stated that since he could file a FOIA electronically, he thought he could file a complaint electronically. Really, which is the truth? He violated the ordinance. He didn't file the ethics complaint electronically, he handed it out at the council meeting. This from the same person who sits in judgment of everyone else.

When I question this same individual driving the Mayor's car, he produced a title and registration which had only been done in the past few weeks. However, he had been driving the car, and buying the car for many months, Michigan Law, gives you 15 days to register the vehicle and purchase new plates. This is the person who sits in judgment of the rest of us.

When I questioned the giving away of pistols to retired police officers, he defended the practice, because the Mayor had been given his gun. I don't disagree, I think it is the right thing to do, but there was nothing in the charter, or ordinances that allowed this, however it was okay with the Mayor's Campaign Staff. This is the person who sits in judgment of the rest of us Double standard, absolutely.

Now, why do I think the Mayor is behind all of this.

1. He made the statement to Lt. Heck, "if Sexton backs off, he (the Mayor) will call off the dogs. The Mayor denied saying this. He is not telling the truth.
2. The Mayor's Campaign Staff has only attacked people that have questioned or disagree with the Mayor, Councilman DeSana Councilman Galeski, Councilman Sabuda, and Councilwoman Fricke.
3. I asked for an investigation, and Chief Grant did a great job, that proved, that we had not violated the law, the results of the investigation were sent to the City Council for the June 7th meeting. When Councilwoman Fricke question why the Chief of Police was not present, the Mayor stated something like, he was excused. Later he said that the Chief had a medical issue, and still later he stated that the Chief had a Medical Procedure done. Sounded serious, the truth is, the Chief was, let me say encouraged not to attend. The Chief was available to come to the meeting. Now I hope, that this Council will protect Lt. Heck, and Chief Dan Grant when they start getting attacked. Because they will be the next target for the Mayor.
4. Another area of concern that I was surprised never came up, is the fact that no one asked the Director of Financial Services if he was aware of the sale of the guns. He did know. He received the proceeds, and was aware of the sale. Did he do anything wrong, no. Mr. Drysdale is a very ethical person. At the time, I don't think he thought we were violating any City Ordinance. Was I disappointed that he didn't stand up for me, no, again, his job depends upon keeping the Mayor and City Council happy. I understand.

Here is a summary of what has happened.

The Mayor is questioned whether he should have both positions.

1. I am attacked, as well as the writer of the original letter.
2. A campaign is built to destroy my reputation using the City of Wyandotte resources, City of Wyandotte copy machines, Municipal Services Television Studio, Municipal Services cameras and equipment, and broadcast over the City of Wyandotte Cable system.
3. The Mayor tells the Lt. of Detectives, that he will call off the dogs, if Sexton backs off.
4. The Chief of Police is encouraged not to attend a City Council Meeting, when just three meetings before, the Mayor says that Department Heads will be at any meeting if they have something on the agenda.
5. The Mayor's Campaign Staff fails to follow the ordinances and State Law, in his zeal to destroy me.
6. The City Attorney, whose position was just renewed at the request of the Mayor of Wyandotte, doesn't even insure that the original complaint was filed in accordance with the ordinance. The City attorney has completed the ethics complaint, but doesn't bring it forward to the Mayor and City Council. And to the person who filed the complaint, if you did not receive your copy, it is because the City Attorney didn't send it to the correct address.
7. The Mayor does not tell the truth and he's very good at it. Speak with Mr. Drysdale, he was in the meeting with the Mayor and I when the Mayor lied to me and later apologized.
8. The Mayor has ordered all department heads to report any conversations that they have with any City Council Person. That's not indicative of an honest person, that's an indication that they are power hungry and have something to hide. This is supposed to be a Weak Mayor and Strong Council, but it took Mayor Peterson less than a year to change that.

Now we have money coming to the City from the Kilpatricks, and I'm not speaking about the grant that the City of Wyandotte received. We also have money coming into the City by Manny Maroon. Remember Mr. Maroon, he was the man from Detroit that wanted to turn the City of Trenton into a storage area for overseas containers. He's the man that gave Mayor Kilpatrick \$50,00 when he went to jail. Mr. Maroon doesn't give away money. He buys influence, and property. I wonder what he got?

This sounds like Detroit Politics, and it is. Challenge a person in authority, and utilizing City resources, the Mayor tries to destroy the person. Mayor Peterson and his staff learned very quickly.

What is so frustrating for me, is I've paid taxes to this city for 38 years, and a person who does not pay any taxes consumes more time from this council than any other resident of the City of Wyandotte. I guess that is the price for freedom of speech, a very steep and dangerous price.

I feel betrayed, and helpless. I've spent almost \$1000 on legal fees. I requested the City of Wyandotte, pay my legal fees since I was an appointed official during the alleged violation of the City Charter. Mr. Browning, whose was chairman that night made the resolution that he was going to refer this to Mr. Look, and asked for a recommendation in two weeks. Later the resolution was to have Mr. Look conduct his investigation, and return with a recommendation. Well the investigation was completed last week, there is nothing about paying for Mr. Sexton's or my legal expenses tonight, so once again, either Mr. Look has made another mistake at my expense or has been told to ignore it.

I know I will take a huge loss, but my plans are to try to sell my home, and move out of Wyandotte in the next six months. Thank you for your time.

Mr. Mayor, in the best interest of the City of Wyandotte, I am requesting that you resign as Mayor of Wyandotte.

Randy Hicks, 488 Riverside Drive

RE: Amendment to City Ordinance concerning Purchase, Consumption or Possession of Alcohol by a Person under 21 years of age.

Dear Mayor and City Council:

The District Court had requested that the City consider amending the above referenced ordinance by adding a new subsection which would make it a municipal civil infraction for an individual 16 years of age or less to purchase, consume or possess alcohol. Currently it is a misdemeanor under our ordinance and as result must go to the juvenile court in Detroit which the City has no control over. By making it a municipal civil infraction, the City would retain jurisdiction over the infraction. A draft of the ordinance is ready for a first reading.
