COMMUNICATIONS MISCELLANEOUS

LATE ITEM
August 31, 2015
Dear Mayor and Council,

For the past several years I have been a part of the crew that works one of the pop booths at the Mt. Carmel festival. Throughout the years we have served a large variety of festival goers both young and old. We see our share of nice, not-so-nice and just plain grumpy people.

I have been especially impressed by the young people that we served and how courteous and polite they are. I couldn't even begin to count how many "please", "thank you's" and "have a nice night's" I heard over the weekend. With all of the negative stories you hear about our youth, I just wanted to give them a shout out and thank them for making our weekend so enjoyable.

Sincerely,
Linda Schartz
MC Festival Worker

Wyandotte, MI 48192

Dear Elected Officials:

The Board of Directors of the Greater Detroit Chapter of the United Nations Association requests that the Wyandotte City Council place on the next meeting agenda, the issuing of an official proclamation (as is issued for anniversaries and other significant events for companies and private individuals), recognizing the United Nations on the 70th Anniversary of its creation on October 24, 1945.

Established in the aftermath of a devastating world war, the United Nations was formed to help stabilize international relations and give peace a more secure foundation. Amid the threat of nuclear war and regional conflicts, peace-keeping continues to be its overriding mission. However, the United Nations and its family of agencies are also engaged in a vast array of programs that touch every aspect of people's lives around the world. These programs include child survival and development, environmental protection, human rights, health and medical research, alleviating poverty, agricultural and economic development, and emergency and disaster relief.

The Greater Detroit Chapter of the United Nations Association is sponsoring several events to honor the anniversary. We invite Wyandotte officials to a celebration planned for Sunday, October 25, 2015, at the International Institute, 111 Kirby, Detroit, starting at 2:00 PM. Speakers from the United Nations will be participating, as well as local dignitaries.

Please contact Donna Glowacki at d.glowacki@comcast.net/(248) 391-2087 with any questions.

The Board appreciates your consideration of this significant milestone.

To Whom it May Concern:

This letter comes to you from not only a member of the Leukemia & Lymphoma Society's Team in Training but also as a member of our own downriver community.

To give you some background I'm currently training to participate in the Detroit Free Press Half Marathon. My mission is to fundraise to help find a cure for Blood Cancers and improve the lives of patients and their families.

One of these patients is a very dear friend of mine and also a longtime Wyandotte resident whom was diagnosed earlier this year with Non-Hodgkins Lymphoma. I have joined hands with LLS (the Leukemia & Lymphoma Society) to help support my friend and their family in this enduring battle against Lymphoma.

As a participant of the Leukemia & Lymphoma Society Team in Training I'm looking to your council to grant a permit that would enable me to fundraise effectively for LLS (the Leukemia & Lymphoma Society)

The permit that I am seeking would allow me to fundraise in style similar with that of the fire departments Fill a boot campaign. In granting this permit, myself and several others could effectively fundraise for donations on the east and west corners of Eureka rd as well as the north and south corners of Fort St within the Wyandotte city limits.

The eight person group including myself would be handing out suckers and bracelets as supplies last with donations. Everyone involved in fundraising would be wearing bright green shirts to not only ensure easy-viewing and encouraging safety but also to promote awareness of Non Hodgkins Lymphoma.

I'm asking that the permit be given for a Saturday with the hours of 7am-5pm to help us maximize possible donations for the Leukemia & Lymphoma Society.

As a member of the Leukemia & Lymphoma Society's Team in Training I would like to thank each one of you for giving me the opportunity to be heard within your city council.

Should you have any questions please feel free to contact me at the number below.

Sincerely,

Tamme DeLisle

Show Cause Hearing Minutes

June 17, 2015

PRESENT: Mark A. Kowalewski, City Engineer
Lou Parker, Hearing Officer
Greg Mayhew, Assistant City Engineer
Peggy Green, Secretary

The Hearing was called to order at 8:30 a.m. by Greg Mayhew, Assistant City Engineer. The owner or representative did not appear at the hearing.

Mr. Mayhew stated that the house is vacant and it was brought to the Engineering Departments attention by the Police Department.

Mr. Parker commented that they only thing he sees done from the property maintenance checklist is that there is now a storm door on the front.

Mr. Mayhew went over the property maintenance violations (list is attached). Mr. Mayhew added that the City has cut the grass and abated the accumulation and there has not been any utilities since May 21, 2013.

Mr. Parker asked if any of the mailings had been signed for. Mr. Mayhew replied yes, only the Wayne County Treasurer and Chase Bank, all other mailings were returned and no one replied. Mr. Mayhew continued that the mailing list was developed from tax records, utility records, and title search.

Mr. Mayhew further stated that a complaint had been received about someone living in the house. It was posted as unsafe and unsanitary due to lack of water and electric utilities. Later, he drove by and there was a car in the driveway and the door was open. The police were called. The gentleman stated that the owner of the property was his girlfriend (Jacqueline). Mr. Mayhew stated that they (he and the police) were invited in. The interior was disarray, there was an accumulation of debris, holes in the wall, and needing painting and cleaning. Mr. Mayhew added that the police made the gentleman leave.

Mr. Parker asked again about the response from the letters. Mr. Mayhew stated that they came back undeliverable except the two mentioned.

Mr. Parker asked if the property was delinquent in taxes. Mr. Mayhew replied yes.

Mr. Kowalewski asked how a letter was sent to Richard Uszynski. Mr. Mayhew replied that the utility bill was in that name.

Mr. Parker stated that the property maintenance repairs be made or the dwelling demolished by August 17, 2015, or the property will be referred to City Council for demolition

RE: Tax ID #57-012—04-0011-000
2032 3rd Street
Wyandotte, Michigan

Dear Ms. Uszynski;

A complaint had been received by the City of Wyandotte Department of Engineering and Building regarding the condition of the referenced property. Site inspections were performed May 23, 2014, September 5, 2014, October 13, 2014 and December 15, 2014, which revealed that there are violations of the City of Wyandotte Property Maintenance Code as noted on the attached Property Maintenance Checklist.

A check of the records at the Wyandotte Department of Municipal Services indicates that the electric and water utilities were terminated on May 21, 2013, indicating that the property has been vacant for over six (6) months.

Due to the lack of maintenance of the property at 2032 3rd Street as noted by the attached violations, and the lack of occupancy, the undersigned deems the dwelling to be unsafe and dangerous.

Please be advised of the following from the City of Wyandotte Property Maintenance Code:

Section PM-110 Demolition:

PM-110.1 General: The code official shall order the owner of any premises upon which is located any structure, which in the code official's judgment is so old, dilapidated or has become so out of repair as to be dangerous, unsafe, unsanitary or otherwise unfit for human habitation or occupancy, and such that it is unreasonable to repair the structure, to raze and remove such structure; or if such structure is capable of being made safe by repairs, to repair and make safe and sanitary or to raze and remove at the owner's option; or where there has been a cessation of normal construction of any structure for a period of more than two years, to raze and remove such structure.

Section PM-202.0 General Definitions:

Dangerous Buildings: A building or structure that has 1 or more of the following defects or is in 1 or more of the following conditions:

A. The building or structure is damaged by fire, wind, or flood, or is dilapidated or deteriorated and becomes an attractive nuisance to children who might play in the building or structure to their danger, or becomes a harbor for vagrants, criminals, or immoral persons, or enables persons to resort to the building or structure for committing a nuisance or an unlawful or immoral act.

B. A building or structure remains unoccupied for a period of 180 consecutive days or longer, and is not listed as being available for sale, lease, or rent with a real estate broker licensed under Article 25 of the occupational code, Act. No. 299 of the Public Acts of 1980, being sections 339.2501 to 339.2515 of the Michigan Compiled Laws. For purposes of this subdivision, "building or structure" includes, but is not limited to, a commercial building or structure. This subdivision does not apply to either of the following:

(i) A building or structure as to which the owner or agent does both of the following:

(a) Notifies a local law enforcement agency in whose jurisdiction the building or structure is located that the building oar structure will remain unoccupied for a period of 180 consecutive days. The notice shall be given to the local law enforcement agency by the owner or agent not more than 30 days after the building or structure becomes unoccupied.

(b) Maintains the exterior of the building or structure and adjoining grounds in accordance with the BOCA National Property Maintenance Code 1990 and amendments adopted by the City of Wyandotte.

(ii) A secondary dwelling of the owner that is regularly unoccupied for a period of 180 days or longer each year, if the owner notifies a local law enforcement agency in whose jurisdiction the dwelling is located that the dwelling will remain unoccupied for a period of 180 consecutive days or mor3e each year. An owner who has given the notice prescribed by this sub paragraph shall notify the law enforcement agency not more than 30 days after the dwelling no longer qualifies for this exception. As used in this sub paragraph "secondary dwelling" means a dwelling such as a vacation home, hunting cabin, or summer home, that is occupied by the owner or a member of the owner's family during part of a year.

You are hereby directed to correct the noted violations, maintain the exterior of the property, occupy and/or list the structure with a real estate broker in accordance with Section PM-202.0 referenced above. Should you elect to rent or sell this property, an Upon Sale or Rental Inspection is required according to the City of Wyandotte Code of Ordinances Sec. 19-5 and 31.1-11. The inspection and fee can be arranged and paid for at City Hall in the Department of Engineering and Building.

Failure to correct the cited violations, maintain and occupy the structure by May 5, 2015, will result in this Department proceeding with Section PM-107.3 Disregard of notice, of the Property Maintenance Code, at which time a hearing date will be set to determine whether or not the structure should be demolished, and tickets will be issued as per Section PM-106.0 Violations. You also have the right to seek modification or withdrawal of this notice by requesting a Show Cause Hearing.

Further, in accordance with Article VII "Abandoned Residential Structure", of Chapter 7 "Building and Building Regulations" of the City of Wyandotte's Code of Ordinances, this dwelling is deemed to be an abandoned residential structure. Therefore you must register the property in accordance with Sec. 7-76. Registration of the Ordinance. Failure to do so by May 5, 2015, will subjected you to the violations and penalties as set forth in Sec. 7-83 of the Ordinance.

RE: 2032 3rd Street
Wyandotte, Michigan

Dear Ms. Uszyski;

A complaint had been received by the City of Wyandotte Department of Engineering and Building regarding the condition of the referenced property. A site inspection was performed May 23, 2014, which revealed that there are violations of the City of Wyandotte Property Maintenance Code as noted on the attached Property Maintenance Checklist.

A check of the records at the Wyandotte Department of Municipal Services indicates that the electric and water utilities were terminated on May 21, 2013, indicating that the property has been vacant for over six (6) months.

Due to the lack of maintenance of the property at 2032 3rd Street as noted by the attached violations, and the lack of occupancy, the undersigned deems the dwelling to be unsafe and dangerous.

Please be advised of the following from the City of Wyandotte Property Maintenance Code:

Section PM-110 Demolition:

PM-110.1 General: The code official shall order the owner of any premises upon which is located any structure, which in the code official's judgment is so old, dilapidated or has become so out of repair as to be dangerous, unsafe, unsanitary or otherwise unfit for human habitation or occupancy, and such that it is unreasonable to repair the structure, to raze and remove such structure; or if such structure is capable of being made safe by repairs, to repair and make safe and sanitary or to raze and remove at the owner's option; or where there has been a cessation of normal construction of any structure for a period of more than two years, to raze and remove such structure.

Section PM-202.0 General Definitions:

Dangerous Buildings: A building or structure that has 1 or more of the following defects or is in 1 or more of the following conditions:

A. The building or structure is damaged by fire, wind, or flood, or is dilapidated or deteriorated and becomes an attractive nuisance to children who might play in the building or structure to their danger, or becomes a harbor for vagrants, criminals, or immoral persons, or enables persons to resort to the building or structure for committing a nuisance or an unlawful or immoral act.

B. A building or structure remains unoccupied for a period of 180 consecutive days or longer, and is not listed as being available for sale, lease, or rent with a real estate broker licensed under Article 25 of the occupational code, Act. No. 299 of the Public Acts of 1980, being sections 339.2501 to 339.2515 of the Michigan Compiled Laws. For purposes of this subdivision, "building or structure" includes, but is not limited to, a commercial building or structure. This subdivision does not apply to either of the following:

(i) A building or structure as to which the owner or agent does both of the following:

(a) Notifies a local law enforcement agency in whose jurisdiction the building or structure is located that the building oar structure will remain unoccupied for a period of 180 consecutive days. The notice shall be given to the local law enforcement agency by the owner or agent not more than 30 days after the building or structure becomes unoccupied.

(b) Maintains the exterior of the building or structure and adjoining grounds in accordance with the BOCA National Property Maintenance Code 1990 and amendments adopted by the City of Wyandotte.

(ii) A secondary dwelling of the owner that is regularly unoccupied for a period of 180 days or longer each year, if the owner notifies a local law enforcement agency in whose jurisdiction the dwelling is located that the dwelling will remain unoccupied for a period of 180 consecutive days or mor3e each year. An owner who has given the notice prescribed by this sub paragraph shall notify the law enforcement agency not more than 30 days after the dwelling no longer qualifies for this exception. As used in this sub paragraph "secondary dwelling" means a dwelling such as a vacation home, hunting cabin, or summer home, that is occupied by the owner or a member of the owner's family during part of a year.

You are hereby directed to correct the noted violations, maintain the exterior of the property, occupy and/or list the structure with a real estate broker in accordance with Section PM-202.0 referenced above. Should you elect to rent or sell this property, an Upon Sale or Rental Inspection is required according to the City of Wyandotte Code of Ordinances Sec. 19-5 and 31.1-11. The inspection and fee can be arranged and paid for at City Hall in the Department of Engineering and Building.

Failure to correct the cited violations, maintain and occupy the structure by July 25, 2014, will result in this Department proceeding with Section PM-107.3 Disregard of notice, of the Property Maintenance Code, at which time a hearing date will be set to determine whether or not the structure should be demolished, and tickets will be issued as per Section PM-106.0 Violations. Minutes – Meeting Date: August 25, 2015

The Police Commission meeting took place at Wyandotte Police Department 2015 Biddle Avenue, Wyandotte Michigan, on Tuesday, August 25, 2015. The Chairperson, Commissioner Harris, called the meeting to order at 6:08 P.M.

ROLL CALL

Present:	Inspector James Pouliot Commissioner John Harris Commissioner Douglas Melzer
Absent:	Commissioner Dr. Michael Izzo Chief Daniel Grant
Recording Secretary:	Alice Baker
Others Present:	None

The Commission approved the minutes as recorded for the meeting held on July 28, 2015 Motion by Melzer, seconded by Harris.

1. **UNFINISHED BUSINESS**

None

2. **COMMUNICATIONS**

Recognition for Officer Kenneth Groat and K-9 Ice. The Commission had received copies of the Face Book dialog that had been posted praising the Officer for taking the time to stop at her son's birthday party. The Commission recommended that a copy be forwarded to City Hall to be placed in Officer Groat's personnel file.

Commissioner Melzer moved to extend the Commission's thanks to Officer Groat for a job well done and to place the communication on file.
Motion seconded by Commissioner Harris.

3. **DEPARTMENTAL**

- The Commission reviewed and held a small discussion on the departmental statistics for the current year. It was recognized that now that there are three Ordinance Officers working, there has been a significant rise in self initiated calls. The Commission questioned whether or not the increase in the speed limit on Fort Street has impacted the number of citations being issued on that street. Inspector Pouliot indicated that the changed dynamics to the roadway has resulted in fewer citations written and fewer accidents on Fort Street.

Commissioner Melzer moved that the stats be accepted and placed on file.
Motion seconded by Commissioner Harris.

- After a discussion regarding the newly drafted UNBIASED POLICING POLICY the Commission approved the implementation of the policy.

Commissioner Melzer moved to accept the policy as submitted.
Motion seconded by Commissioner Harris.

- The bills and accounts were reviewed for August 11, 2015 in the amount of $ 12,749.35. The bills for August 25, 2015 in the amount of $ 31,308.25 were also reviewed.

Commissioner Melzer moved that the billings be accepted and paid
Motion seconded by Commissioner Harris.

- Inspector Pouliot advised the Commission on the new staffing levels for the department as well as the status on both the training and promotion processes.

4. **ADJOURNMENT**

With no further business to bring before the Commission, the meeting was adjourned at 6:26 p.m.

Mr. Mendenhall, owner, present.

Chairperson Krimmel asked why Mr. Mendenhall wanted the property rezoned.

Mr. Mendenhall indicated that the building is not residential, as the zoning indicates, and he is looking to sell the property.

Mr. Tallerico indicated that the appellant is correct it is in a RM District, not commercial, even though the use is commercial.

Commissioner Lupo asked if the property was going to be used as an auto detailing shop.

Mr. Mendenhall indicated that the proposed buyer wants to use the building for auto detailing. Mr. Mendenhall continued that the buyer has another location and will use this as an overflow.

Mr. Mendenhall stated that the property was rezoned by the City, and he was not made aware of it.

Commissioner Lupo stated the area is a mixed used, but B-2 would not be good. Commissioner Lupo asked if the property does not get rezoned will the buyer buy it.

Mr. Mendenhall stated no.

Commissioner Lupo stated that the previous use was an auto electric shop.

Mr. Mendenhall stated that is correct.

Commissioner Lupo asked what does detailing involve.

Mr. Mendenhall stated it would just be washing, polishing and waxing.

Mr. Tallerico stated that the current zoning is multiple family, the Appellant has the option to appeal the use to the Zoning Board for the detailing shop.

Commissioner Benson asked if rezoning of the property would be considered spot zoning.

Mr. Tallerico stated that it is and the current zoning matches with the Future Land Use Map.

Mr. Mendenhall stated that he wants to sell the building now and can't wait for all the meetings required for a variance.

Commissioner Benson stated that rezoning the building to B-2 would open the property up for a multiple of uses that might not be desirable in that location.

Mr. Tallerico read the preamble for the B-2 Zoning District and the uses allowed in that district.

Chairperson Krimmel indicated that some of the uses allowed in the B-2 District should not be allowed on Oak Street.

Chairperson Krimmel read the appeal and asked if there was anyone present who wished to speak regarding this hearing.

Catlin Crain, representing Pizzo Development.

Ms. Crain explained that the building will be constructed off of Antoine and they will be using it as a general contractor's office. Ms. Crain stated that they would like to use the vacant lot off of Hudson for storage of construction items.

Commissioner Pasko asked if the storage would be all outside.

Mr. Kowalewski stated that the City is selling the property on Antoine and Hudson to Pizzo Construction. Mr. Kowalewski stated further that the proposed rezoning is a continuation of the current practice of zoning property adjacent to the railroad I-2and the City currently has other sites zoned I-2 which are located adjacent to the railroad tracks.

West side of 8th Street (known as 40 acres)
East of 13th Street, Pennsylvania and Grove
Along the Railroad east of 11th Street Grove to Pennsylvania is zoned I-3

Mr. Kowalewski stated further that this rezoning is consistent with the Master Plan.

Commissioner Lupo asked if rezoning the property would be considered spot zoning.

Mr. Kowalewski stated no, changing from RM (Residential) to B-2 (Business) zoning would be spot zoning as discussed on a previous public hearing; changing from I-1(Industrial) to I-2 (Industrial) is not.

Commissioner Lupo stated that there are still five (5) non-conforming homes.

Mr. Kowalewski stated that is correct. Mr. Kowalewski stated further that the City's greatest power is zoning. Mr. Kowalewski continued that the City needs to redevelop and have areas for outdoor storage and adjacent to the railroad is the ideal area.

Commissioner Lupo asked what type of storage will be on the lot.

Ms. Crain stated that it will be construction materials and construction equipment. Ms. Crain stated further that there will be no welding or repairs being made on the property.

Mr. Kowalewski stated that the only way onto the property would be thru Antoine there would be no entrances from Hudson. Mr. Kowalewski stated further that there would be no storage of items in the alley or Antoine Street property just on the property on Hudson.

Jason Bury, 333 Hudson, Wyandotte.

Mr. Bury stated that he is concerned about large equipment going up and down the street, there are a lot of kids in the neighborhood.

Mr. Tallerico stated that the building would be on Antoine and the Hudson area will be used for storage only.

Ms. Crain stated that they would not be driving equipment down Hudson Street, they would be using the entrance off of Antoine Street.

Mr. Bury stated that they are not concerned about looking at the yard they are concerned about the traffic.

Ms. Crain stated that they will be respectful to the homes left in the area and it is not their intent to have construction equipment driving down Hudson Street.

There being no further discussion, the hearing was closed.

No communications were received regarding this hearing.

PUBLIC HEARING to consider an amendment to the City of Wyandotte Zoning Ordinance Article XXII – Special Land Uses, Section 2202 .V. Outdoor Sale space for new or used automobiles, recreation vehicles, mobile homes and boats by adding #8.

Appeal – Granted.

Gary Rushlow (Appellant) and Daly Merritt (Owner) has appealed to the Plumbing Board of Appeals of the City of Wyandotte for permission to obtain a variance to not provide a drinking fountain at 2959 Biddle Avenue (see file for legal description), where the proposed conflicts with Table 403.1, of the Michigan Plumbing Code:

Table 403.1:
Requires a minimum of one (1) drinking fountain for a business use. Section 410.2 requires that said drinking fountain shall comply with the requirements that said drinking fountain shall comply with the requirements for people who use a wheel chair and one drinking fountain shall comply with the requirements for standing persons.

Business owner is requesting to provide absopure drinking water and coffee and teas to his customers in lieu of a drinking fountain.

GRANTED

Motion was made by Member Sarnacki and supported by Member Schartz to **approve** this appeal. Motion passed unanimously.

PLUMBING BOARD APPEAL

Member Sarnacki asked that the appeal be explained.

Mr. Rushlow explained that this salon would be his second one and that his other salon was located in Woodhaven. He continued that he wanted to provide absopure drinking water, coffee and teas in lieu of a drinking fountain. He noted that the plumbing was there to put in a drinking fountain, but since he provided drinks it would not be used.

Member Sarnacki commented since the plumbing was already there why not just put the drinking fountain in.

Mr. Rushlow stated he would not use it and also that he had read up on information on how drinking fountains have a lot of bacteria and germs.

Member Quint asked if the drinks would be located on a counter for customers.

Mr. Rushlow stated yes but mostly customers would be asked if they wanted a beverage as they came in.

Member Sarnacki stated that he tells his clients the code of needing a drinking fountain so giving a variance to this would set a precedence for other commercial properties not wanting to provide one.

Member Schartz stated he remembers a few years ago granting a variance for a drinking fountain.

Mr. Rushlow stated he also had appealed this in Woodhaven and didn't have to provide one.

Member Sarnacki made a motion to grant the appeal.

Member Schartz seconded the motion.
